Once app is installed, internet connection is not required to use SBI Quick, as the communication would happen over SMS or Missed Call. Note that mobile app is not mandatory for using this facility. Download NowLast Updated On : Friday, 01-04-2022 While opening a new account in the State Bank of India, they usually offer a cheque book with ten leaves; If you have used all of the State Bank of India (SBI) cheque book and looking for an option to SBI request cheque book request online, you can easily make requests a new state bank of India chequebook through SMS or Online Banking. State bank of India (SBI) allows its customers to order a new chequebook online through internet banking or SMS. In this post, I will first explain how to order an SBI cheque book request online process through internet banking, then will guide you through the process of Request SBI Cheque Book Through SMS; if you still fail to SBI cheque book request online in the steps as mentioned earlier, you can get the SBI chequebook by going to your bank branch and filling up the form. Prerequisites for SBI cheque book request online There are certain things that you need to keep ready before requesting a new chequebook. You should have internet banking activated in SBI. if not activated follow this guide on how to Activate SBI Internet Banking You should remember your online banking user Id and password. You must have a mobile number registered in your SBI account & the number should be active with you during the process of SBI cheque book request onlineYour registered address must be correct. If not follow this article to change the address in the SBI account. You can apply for a new SBI cheque book online in two ways: You might like to read – How To Activate SBI Credit Card Online & How To Download SBI Bank Statement On Mobile SBI cheque book request online banking Please follow these steps to apply for a new SBI chequebook online using internet banking. The first thing you need to do is open the online banking website of SBI on your smartphone or computer. After opening the website, you need to log in using your internet banking user Id and password. On doing this, you'll notice the option of 'Requests and Enquiries' on the dashboard in the menu at the top. You'll have to click on it. A new page will appear after doing this. You'll need to select the 'Cheque Book Request' option from that page. After doing this, you'll be taken to a new page where you'll have to select your account number for which you want the checkbook. You'll also have to choose the number of cheque leaves. After doing this, click on the 'Submit' button. A 'One Time Password' will be generated and sent to your registered mobile number. You need to enter this 'One Time Password' on the next page and then tap on the 'Confirm' button. You'll be taken to a new page to ask you for your postal address. You will have the option to select the address registered with the bank or enter a new address if you have changed your place of residence. After selecting the address, you need to click on the 'Submit' button. On clicking the 'Submit' button, making a request will be completed. You will get a message on the screen displaying the same along with a reference number. Note down the reference number for future reference. You can quickly request a chequebook with the help of online banking. You need to have your internet banking Id and password, registered mobile number, and address. One thing that you need to do is avoid making any errors while making the request. It will make sure that your application process is smooth. Also, read – Steps To Close SBI Fixed Deposit Online, how can you Generate SBI Atm Pin By SMS & How To Activate SBI Internet Banking for the first time. You can also request a chequebook with the help of the SBI YONO app; follow the steps given below: Make use of your user ID and password to login to the SBI YONO application. Now choose the 'quick links' option and click on 'Service request.' Click on 'Cheques' and then select the 'Request Cheque Book' option. Next, choose your State Bank of India Account number for which you want a cheque-book. Decide the number of leaves in cheque-books and submit your request. Now the cheque-book will be sent to the address registered. If your mobile number is registered with an SBI account, you need to send an SMS to order the chequebook from your registered mobile number. You have to register the bank account for the Quick Banking SMS-based facility. Go to Messages and type "REGAccount number" and send it to 09223488888. (e.g., REG 30181234646). Once the SMS is sent, the registered mobile number will receive a successful registration SMS. The next step is to request a new Chequebook by sending an SMS. Now send SMS in the given format: Go to the messaging app on your phone and Type "CHQREQ," and send it on 09223588888. Check SMS; you will receive an SMS for confirmation of your request. Send confirmation SMS to 09223588888. E.g., CHQACC Y 635663Cheque Book will get delivered to the registered address within ten days via courier. This is how customers of SBI will apply for Cheque book through SMS. Also, check – What Is Lien Amount In State Bank Of India account & How To Enable International Transactions On SBI Debit Card Frequently Asked Questions During making a request, you'll be given the option to select the address. Then, you can either choose the address registered with the bank or enter a new address if you have changed your residence. Your chequebook will be dispatched within three days of receipt of the request by the bank. After that, the time taken will depend upon how remote your address is. You can get a chequebook with 25, 50, or 100 cheque leaves. You'll get the option to select the number of leaves you want while requesting a chequebook. For cheque books, there isn't any validity. You can use the cheque leaves until it lasts. The cheque books generally do not expire, although the account holder has three months to submit the cheque for payment from the cheque issued to date. Yes, you can request a Cheque book online from SBI through the net banking facility. You can request an SBI Cheque book by SMS. Please send an SMS message with the subject 'CHQREQ' to 09223588888 to request a cheque book in the state bank of India. Visit the nearby SBI branch and contact your account manager. You will get a form you have to fill and submit. Fill in all the information carefully and ensure that the data is correct. You will receive a confirmation SMS on your registered mobile number as you submit the form. The successful confirmation will lead to the delivery of your chequebook at your registered address. In SBI, the first ten cheque leaves will be free for cheque book services in a financial year. After that, ten leaf cheque books will be charged \*40 plus GST; 25 leaf cheque books will be charged \*75 plus GST, and emergency cheque books will be charged \*50 plus GST for ten leaves or part thereof. Visit the online SBI website. Next, go to Enquiries, then Cheque Status. Now you have to select the account you want to check the status. Select the single cheque option or, alternately, pick the Cheque Range option to check the group for a series of cheques. Now, enter the check number & click enquire. Conclusion SBI account holders can easily make SBI cheque book requests online from your phone application or browser. If you have an SBI account, you can check the account summary and work on various services with net banking. If you have concerns about the requesting SBI chequebooks, please write down your questions in the comment section below.
